- 3 Colleges meeting following criteria alone shall offer M.Phil./Ph.D. Programmes:
 - 3.1 At least two Ph.D. qualified teachers/scientists/other academic staff in a Department running post graduate degree programme.
 - 3.2 Exclusive research laboratories with sophisticated equipment with provision for adequate space per research scholar along with computer facilities and essential software and uninterrupted power and water supply in case of science and technology disciplines.
 - 3.3 Earmarked library resources including latest books, Indian and International Journals, e-journals, extended working hours for all disciplines, adequate space for research scholars in the Department/library for reading, writing and storing study and research materials.
 - 3.4 Colleges may also access the required facilities of the neighboring Institutes/Colleges or of those Institutes/Colleges/R&D laboratories/Organizations which have the required facilities.

O.124.3: Eligibility and Registration Criteria for Research Supervisor

Research work leading to the award of Ph.D. degree shall be carried out under the supervision of the registered research supervisor(s) of the University, either in the University Department/Institute/College or at research centers approved by the University.

1. Eligibility for Supervisor

The following shall be eligible for registration as Research Supervisor to supervise Ph.D.:

- 1.1 All faculty members who were recognized as Research Supervisors by this University for M.Phil./Ph.D. before the implementation of this regulation shall continue to act as Research Supervisors however, retired teachers registered as Supervisors will not be allotted any new candidate to register for Ph.D./M.Phil. after the implementation of this regulation.
- 1.2 Any regular Professor of the University/affiliated College with at least five research publications in refereed journals and any regular Associate/Assistant Professor of the University/affiliated college with a Ph.D. degree and at least two research publications in refereed journals may be recognized as Research Supervisor. Provided that in areas/disciplines where there is no or only a limited number of refereed journals, the Institution may relax the above condition for recognition of a person as Research Supervisor with reasons recorded in writing.
- 1.3 Only a fulltime regular teacher of the concerned University Department/affiliated College can act as a registered Supervisor provided his/her selection has been done following government or University norms. The external supervisors are not allowed. However, Co-Supervisor may be allowed in inter-disciplinary areas from other departments of the same

institute or from other related institutions with the approval of the Research Advisory Committee.

1.4 No faculty member of the University and its affiliated Colleges shall act as a Supervisor for Ph.D./M.Phil. in Private Universities.

2 Registration of Research Supervisor

2.1 For registration as Research Supervisor, a teacher who fulfills abovementioned qualifications must apply to the Director, Research in the prescribed form obtainable from the research section of the University or is available on the University web site (**Appendix I**).

2.2 The application in the prescribed format shall be considered and approved by a **Research Supervisor Registration Committee (RSRC)** consisting of the following:

- a) The Dean PG Studies
- b) The Dean of the Faculty concerned
- c) One expert nominated by the Vice-Chancellor
- d) The Director Research
- e) Deputy Registrar/Assistant Registrar, Research- Member Secretary

2.3 No person shall be permitted to supervise the research work of his/her close relatives, i.e., spouse and blood relatives of self and spouse and son/daughters-in-law.

2.4 Research Supervisor at UG College

2.4.1 A registered supervisor posted to a college which does not run the graduate course in the faculty concerned may continue to supervise those scholars who are already registered with him/her at the colleges having PG classes in the subject concerned and she/he finds no difficulty in supervising them from the changed place. If a registered supervisor is subsequently transferred to a U.G. College affiliated to the MDS University, she/he may still be allotted fresh candidates, if the college fulfills the criteria O.124.2.4 except in the Faculty of science.

2.4.2 A registered supervisor, awarded a research project having a position of a Junior Research Fellow, is allowed to get such a JRF registered for the Ph.D. degree, if the supervisor is posted in a U.G. College.

2.4.3 Any registered Supervisor of the Faculty of Arts, Fine Arts, Social Science, Commerce, Management Studies, Science, Education (both science and non-science) and Law who leaves the University department or an affiliated college or is transferred to a UG College within its jurisdiction or outside the jurisdiction of MDS University shall continue to supervise those scholars who are already allotted/registered with him/her. Any such registered supervisor will continue to guide students registered with them but such scholars will be allotted Co-Supervisor at a research centre recognized by the University with the consent of the main supervisor.

2.5 For the Supervisor who left the University/college

2.5.1 In case, a registered supervisor leaves the University/College and/or is transferred to an affiliated college where research cannot be conducted then no new allotment of scholars will be made however, the supervisor shall be permitted to supervise those candidates who have already registered with him with the condition that he/she has obtained permission from the Director of Research for this purpose.

2.5.2 The permission by the Director of Research shall be granted for the above, if the Supervisor has recommended a Co-Supervisor from the research centre where

she/he was registered and has obtained consent of such a Co-Supervisor. Such students shall not be counted as research student registered with the co-supervisor. In case of non-availability of a co-supervisor from the same subject, co-supervisor can be recommended from a related subject.

2.6 Provisions during long leave of Supervisor

Any Supervisor going on long leave of more than 12 months will have to appoint a registered Supervisor as Co-Supervisor for all those Ph.D. students who have been working for more than 12 months and inform the same to the Director Research by sending a letter along with the letter of consent of the Co-Supervisor.

O.124.4 Limits of registration of Scholars and refusal to joining

1. A registered research supervisor shall be entitled to get the research scholar registered up to the limit prescribed for registration before his/her superannuation.
 - 1.1 The present limit is; for Professor -8 Ph.D. + 3 M.Phil., Associate Professor 6 Ph.D. + 2 M.Phil., Assistant Professor 4 Ph.D.+ 1 M.Phil. research scholars, respectively.
 - 1.2 The above stated limit of registration for research scholars is maximum. A Supervisor in consultation with the Head of the Department is expected to inform the University each year regarding the number of vacancies for Ph.D. that can be accommodated with him/her on the basis of available infrastructure, in the format given at **Appendix II**.
 - 1.3 Where a co-supervisor has been allotted, the candidate so registered with him shall not be counted in the prescribed quota of the Research Supervisor.
2. **Refusal by a Supervisor to allow the student to join:** Once Supervisor declares the number of vacancies of Ph.D. to be filled in a particular academic session, he/she will not be allowed to refuse to guide any candidate allotted by the RSAC. In case of refusal by the supervisor, on first offense: he/she may be warned and must not be allotted any student in the following academic session, and on second offense: his/her registration as Supervisor of research may be cancelled by the University.

O.124.5 Change of Supervisor

- 1 In the event of death/prolonged sickness, resignation, suspension/termination or transfer of the supervisor, change of supervisor shall be considered by the Research Supervisor Allocation Committee (RSAC). The period of the research work done by the candidate under such supervisor shall be counted for purpose of the award of Ph.D. degree.
- 2 The demand of change of the Research Supervisor shall not be taken as a matter of right but in case, a candidate, who has joined the course after allotment of supervisor fails to get the supervisor changed, as per above procedure, the matter may be decided by the Vice-chancellor on the recommendations of the Grievance Redressal Committee.

O.124.6: Database of Research

- 1 **Preparation of Database:** The University shall prepare a data base of the registered supervisors, their field of interest and the infrastructure available in the Department/College according to the format at **Appendix II** before sending the notification to the newspapers.

- 2 **Filling Data base Proforma:** The Head of the Departments or the Principals of the affiliated colleges concerned will get the proforma filled by each Supervisor to get information of number of students registered, the number of vacancies for Ph.D. depending on the infrastructure and facilities, broad area of research, research area for the prospective PhD students, brief summary of research activities and research facilities available and send the same to the Director Research for publication on the University Website and notice boards to ensure that the prospective research students are well informed about research activities of the Supervisors. The information may be published at least one week before the date of interview.
- 3 **Research Scholar database:** The University will maintain the list of all the M.Phil./Ph.D. registered students on its website on year-wise basis. The list shall include the name of the registered candidate, topic of his/her research, name of his/her supervisor/co-supervisor, Adhar number, date of enrolment/registration.

O.124.7: Eligibility for admission to the degree of Doctor of Philosophy (Ph.D.)

- 1A candidate seeking admission to the degree of Doctor of Philosophy (Ph.D.) must have obtained Master's degree with at least 55% marks at the postgraduate examination of the university or an equivalent examination recognized by university in the subject or any allied subject for pursuing research. Relaxation of 5% marks in the eligibility (Marks) will be given to the SC/ST and differently able candidates or categories decided by UGC or those who had obtained their Master's Degree prior to 19th September, 1991. This relaxation of 5% to above mentioned categories is applicable only on the qualifying marks without including the grace marks procedure.
- 2The Master's degree should have been obtained after taking the Bachelor's degree with full prescribed courses for the degree.
- 3Candidate who takes the B.A. degree of another statutory Indian University as an oriental candidate after passing a public examination in classical or modern Indian language prior to the M.A. degree will also be eligible for registration
- 4Candidates who have cleared the M.Phil. course work with at least 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-point scale (or an equivalent grade in a point scale wherever grading system is followed) and successfully completing the M.Phil. Degree shall be eligible to proceed to do research work leading to the Ph. D. Degree in the same Institution in an integrated programme. A relaxation of 5% of marks, from 55% to 50%, or an equivalent relaxation of grade, may be allowed for those belonging to SC/ST/OBC(non-creamy layer)/differently-abled and other categories of candidates as per the decision of the Commission from time to time.
- 5A person whose M.Phil. dissertation has been evaluated and the *viva voce* is pending may be admitted to the Ph.D. programme of the same Institute.
- 6Candidates possessing a Degree considered equivalent to M.Phil. Degree of an Indian Institution, from a Foreign Educational Institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its homecountry or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions, shall be eligible for admission to Ph.D. programme.

O.124.8 Research Eligibility Test (RET)

1. The Eligibility Test termed Research Eligibility Test (RET) will be held once in an academic session based on the availability of the seats with the registered research supervisors for which consent of each Supervisor shall be obtained indicating the number of research scholars they would be able to accommodate on the basis of infrastructure (Appendix II). A second test may be conducted if seats remain vacant after the first test. The Director Research shall issue a notification to this effect in two National and one Regional Newspaper published in Hindi and also on the University website mentioning the number of vacancies in each subject. The information must contain subject/discipline wise distribution of available seats, admission criteria and procedure and centre(s) of examination.
2. The admissions will be granted following State Reservation Policy.
3. **Application for the RET:** The candidate will have to apply in the application form and opt for the subject in which/heshe desires to conduct research.
- 3.1 **Interdisciplinary research:** In order to promote interdisciplinary research, the degree of Doctor of Philosophy shall be awarded in the Faculty. Thus, at the time of filling up the application form for the Research Eligibility Test (RET), a candidate is required to decide the faculty in which he/she desires to pursue research. He/she may therefore opt for any one of the following options and papers for the opted subject in the RET:
 - a) The subject of his/her qualifying examination.
 - b) Allied subject of his/her qualifying examination in the same faculty.
 - c) Different subject of his/her qualifying examination in a different faculty
- 3.2 In case of the option of b) or c) above, the matter of allocation of supervisor shall be considered by the RSAC of the subject which the candidate has opted.
- 3.3 In case of interdisciplinary research within same faculty the Supervisor may or may not opt or the RRC may recommend a Co-supervisor as per the need.
- 3.4 In case of the interdisciplinary research within two different faculties, the candidate will have to opt a Co-supervisor from relevant faculty.
4. **Exemption from the RET:** The following persons shall be exempted from appearance in the RET, however they will have to submit application form for admission to the Ph.D. programme after the appearance of the notification for the same:
 - 4.1 The candidate who has qualified NET/SLET/GATE/any other junior research fellowship eligibility examination conducted by a National agency or is a Teacher Fellowship holder or has qualified M.Phil. programme as per UGC Regulation 2009.
 - 4.2 The permanent teachers of the University/affiliated college recruited as per UGC norms.
 - 4.3 If number of RET exempted candidates is equal to or more than twice the number of vacancies, then the University may not conduct the Eligibility Test.
 - 4.4 The RET shall comprise of two papers of 100 marks each. The duration of each paper shall be one hour. Paper I shall be: General Paper on Teaching and Research Aptitude and Paper II shall be: the subject selected by the applicant. An applicant who does not appear in Paper I Shall not be allowed to appear in Paper II. Paper I and Paper II shall consist of 50 Multiple Choice Questions each. Each question shall carry 2 marks. There will be no negative marking.
 - 4.5 The questions for paper I and II shall be based on the syllabus of National Eligibility Test (NET) of UGC/CSIR in a particular subject selected by the applicant and may be revised from time to time on the recommendation of the Academic council.

4.6 Marking Response for Question Papers: The candidate will have to mark the response for questions of Paper I and II on the Optical Mark Reader (OMR) sheet provided along with test booklet.

4.7 Criteria for Declaration of result: The candidates who obtain following minimum marks separately in Paper-I, Paper II and aggregate marks in both the papers as given below shall be declared eligible for M.Phil. or Ph.D.:

Category	Minimum Passing Marks		Aggregate Passing Marks
	Paper I	Paper II	
General and OBC (creamy layer)	40%	40%	50%
O.B.C. (Non-creamy layer)	35%	35%	45%
SC/ST/PH	35%	35%	40%

4.8 Candidate declared eligible shall be required to fill up an application form for the allotment of research supervisor (**Appendix III**) indicating there with the order of preference of his/her research interests, namely proposed research area and prospective supervisors.

4.9 Merit list of candidates declared eligible in RET shall be formed by calculating an academic score giving weightage to the academic record such as Sr. Secondary, Graduation, Post Graduate, NET, SLET (SET), Fellowships (UGC/CISR) and Permanent Faculty (Higher Education College level) as given below:

S. No.	Qualifications	Weightage	Calculation
A	B	C	D
1	Sr. Secondary	10	D = (Marks obtained/ Maximum marks) x c
2	Graduation	10	
3	Post Graduation	30	
4	NET/SET	15	D = Weightage marks of the concerned criterion
5	Permanent Faculty selected as per UGC norms	15	
6	Fellowship (UGC/CSIR/Major funded Research Project)	20	

The consolidated score shall be calculated by adding scores of all rows in the table.

4.10 Procedure of allocation/allotment of Research Supervisor: The allotment/allocation of the Research Supervisor for eligible candidates shall be done by the Research Supervisor Allocation committee (RSAC) depending on the number of available seats per research supervisor in the subject keeping in view the research interest/area, facilities and infrastructure available at the research centre (the scholar- teacher ratio, laboratory, computer(d), library and such other facilities), specialization among the supervisors and the research interest of the student as indicated in the application form. Only pre-determined number of candidates may be considered for allotment in each subject. A person having less than two years to his/her retirement shall not be allotted a new research scholar, however he/she may be opted as Co-Supervisor. The Co-Supervisor ship may continue till the completion of Ph.D. of the concerned student(s).

4.11 Research Supervisor Allocation Committee (RSAC): The Research Supervisor Allocation Committee (RSAC) shall consist of the following:

- i) Dean PG Studies
- ii) Dean of the Faculty
- iii) Director Research

iv) Deputy/Assistant Registrar-Member Secretary

4.12 Meeting of RSAC: The Director Research will fix up and notify the schedule of meetings of the subjects wise RSAC. The RSAC shall conduct its business as required at 4.10 above and shall make its recommendations. The recommendations of the RSAC shall be submitted by the Director Research for the approval of the Vice-Chancellor.

4.13 Notifications of allotment of Supervisor and joining of Coursework

4.13.1 After obtaining approval of the Vice Chancellor, the Director Research shall inform the candidates about their admission and the name of supervisor allotted and ask them to submit a joining report to the Dean, PG Studies. Along with the thesis the candidate must also submit a copy of the certificates indicating successful completion of the course work. The thesis must include a copy of at least one paper published in a referred International/National journal and certificates of having presented papers in at least two International/National conferences attached at its end.

O.124.18 Evaluation of the thesis, Appointment of examiners, Conduct of *viva-voce*, Award of the degree and Cancellation of registration

1. The University must ensure that the entire process of evaluation of Ph.D. thesis is completed within a period of 6 months from the date of its submission.
2. The Ph.D. thesis submitted by a research scholar shall be evaluated by his/her Research Supervisor and at least two external examiners who must not be in the employment of the Institute/College where research has been carried out and of whom at least one examiner shall be from outside the country/Premier/out of state Institute. The *viva-voce* examination based among other things on the critiques given in the evaluation report, shall be conducted by the Research Supervisor and at least one of the two external examiners and shall be open to be attended by the Members of the Research Advisory Committee, all the faculty members of the Department, other research scholars, students and other interested experts/researchers.
4. The thesis may be submitted for evaluation in soft binding to allow incorporation of corrections, if any suggested by the evaluators and must be hard bound before the date of

final *viva voce* examination. Failure of submission of bound copy shall lead to withholding the pre- degree certificate and the degree of the candidate.

5.Appointment of Examiner: The Panel of Experts provided by the Supervisor as per Ordinance 124.16 shall be submitted by the Director-Research to the Vice-Chancellor for appointment of two experts as examiners, with at least one from abroad/premier/outside the State institute to evaluate the thesis.

6.Evaluation of Thesis

6.1 The Director Research shall inform the Experts regarding their appointment as an examiner and send therewith a copy of the abstract submitted by the candidate to the examiner for giving consent to evaluate the thesis after perusing the abstract(**Appendix XVI**). The Director shall also inform the examiner that the consent must reach within one month's time failing which it will be presumed that he/she is not willing to evaluate the thesis and the Vice-chancellor will be requested to appoint another examiner.

6.2 After receipt of the consent of both the examiners, the Director-Research shall send the thesis to the respective examiners and the supervisor concerned (who will be internal examiner for this purpose) for evaluation requesting therewith that the thesis may be evaluated within a period of three months of its receipt. The Director shall also send along with the thesis the format of examiner's report as per **Appendix-XVII** and communicate her/him the amount to be paid as remuneration as specified in **Appendix-XVIII**.

6.3 On the recommendations of the examiners the University shall take a decision as per the table below:

S. No.	Recommendation of Examiner			Decision
	1	2	3	
1	Accept	Accept	Accept	Thesis accepted ^{6.4}
2	Reject	Reject	Reject	Thesis rejected
3	Revise	Reject	Reject	Thesis rejected
4	Accept	Accept	Reject	A ^{6.5}
5	Accept	Reject	Reject	B ^{6.6}
6	Accept	Revise	Reject	C ^{6.7}
7	Accept	Revise	Revise	
8	Revise	Revise	Revise	
9	Revise	Revise	Reject	
10	Accept	Accept	Revise	

6.4 If all the examiners recommend award of degree of Ph.D., the Director Research shall put up the reports before the Vice-Chancellor to appoint one of the two external examiners to conduct the *viva voce* examination of the candidate.

6.5 In case of recommendation of rejection of the thesis by one examiner, the thesis shall be sent to a fourth external examiner appointed by the vice-chancellor and the opinion of the fourth external examiner shall be final and binding.

6.6 If the thesis is recommended to be rejected by two examiners, the thesis will stand rejected however, the research scholar will be allowed to resubmit it within one year, provided the title of the thesis remains unchanged. Time shall be counted from the date on which the candidate is informed of the result and it will not be counted in the maximum period for the

submission of the thesis, i.e. five years from the date of registration. Following this the procedure for thesis evaluation will be repeated.

- 6.7** The candidate shall be required to carry out the modification and resubmit the thesis within a period of one year. Resubmitted thesis will be sent to the same examiner(s) for re-evaluation. However, if any examiner expresses inability to evaluate the thesis again, the Vice Chancellor may appoint another external examiner from the original panel suggested by the Supervisor or a new panel sought by the Vice-Chancellor. Thereafter the table above shall be followed for the final decision.
- 6.8** If one of the evaluation reports of the external examiner in case of Ph.D. thesis is unsatisfactory and does not recommend *viva-voce*, the University shall send the dissertation/thesis to another external examiner out of the approved panel of examiners along with the report of the examiner whose evaluation report was unsatisfactory and the *viva-voce* examination shall be held only if the report of the latest examiner is satisfactory. If the report of the latest examiner is also unsatisfactory the dissertation/thesis shall be rejected and the research scholar shall be declared ineligible for the award of the degree.
- 6.9** If both the external examiners recommend rejection of the thesis it will be rejected and the registration shall automatically stand cancelled.

7. Conduct of *viva-voce*

- 7.1** Notice for the *viva voce* shall be sent to the concerning Head of the teaching department of the University for display on the Notice Board. It must clearly state that all students, research scholars and faculty members can attend the same. The information regarding the conduction of *viva-voce* examination should also be given to the Dean of the Faculty concerned.
- 7.2** In case the University does not have a teaching department in the subject in which the Ph.D. thesis is submitted then the open *viva voce* must be conducted at a related department to be decided by the Director, research in consultation with the Vice Chancellor.
- 7.3** The *viva voce* shall be conducted jointly by the supervisor(s) and one external examiner, who must ask questions and seek clarification from the candidate. Based on the presentation of work and the defense of the thesis, the examiners shall submit their *viva-voce* report jointly to the University in the format provided in **Appendix-XIX**. The reports of the examiners will be finally placed before the Vice-Chancellor for acceptance.
- 7.4** If *viva-voce* report is unsatisfactory the *viva-voce* examination shall be held again within a period of 6 months from the date of first *viva voce* examination on payment of the requisite fee. At such second *viva voce* examination, the Vice-Chancellor if required, may appoint any other examiner from the panel. If the candidate fails to get satisfactory report in the second *viva-voce* examination, the thesis shall be rejected and his/her registration shall automatically stand cancelled.
- 8. Award of Degree:** The Degree of Doctor of Philosophy shall be awarded from the date of the approval of the Vice-Chancellor on the report of *viva-voce*. The degree (**Appendix-XX**) shall be released after passing the supplication of the grace by the University authorities. However, *in lieu* of the degree, a Provisional Degree Certificate as per **Appendix-XXI** shall be issued to the candidate.
- 8.1** The Director Research shall also issue a notification every month indicating the name and other details of the Scholars who have been issued the Provisional Certificate during that month. A copy of the notification shall also be uploaded on the University website and be sent to all concerned and to the Newsletter: University News (AIU).

8.2 During the period between the of issue of the Provisional Certificate and conferment of the degree of Ph.D. to research scholar, if Provisional Certificate is lost or has been destroyed and the candidate has a real need for duplicate provisional certificate, it may be issued on production of an affidavit on a non-judicial stamp paper of Rs. 100/- by the applicant concerned along with an application to this effect and remittance of prescribed fee to the Registrar.

O.124.18 Depository with INFLIBNET

1. Following the successful completion of the evaluation process and announcement of the award of Ph.D. degree, the University shall submit a soft copy of the Ph.D. thesis to the University Coordinator INFLIBNET within a period of thirty days, for hosting the same on INFLIBNET accessible to all Institutions/Universities.
2. Prior to the actual award of the degree, the University shall issue a provisional Certificate to the effect that the degree has been awarded in accordance with the Minimum Standards and Procedure for Awards of Ph.D. degree of Maharshi Dayanand Saraswati University Ajmer according to the guidelines of UGC Regulation 2016.

Note: The provision of UGC (Minimum Standards for the award of Ph.D. and M.Phil. degree) Regulation 2016 shall not apply to a candidate who had applied for Ph.D. registration upto 9 September 2018.

O.124.19: Intellectual Property Rights (IPR)

Intellectual Property rights including publications of the research work carried out by the candidate under a supervisor recognized by the University, shall vest jointly in the Supervisor, the candidate, the college/University Teaching Department where the work was conducted and the University. The Patent rights related to research shall be dealt under the IP policy of the University.

O.124.20: Grievance redressal

A Grievance Redressal Committee (GRC) will dispose the grievances related to the registration, submission of the thesis, conduct of *viva-voce* examination etc. If there is any matter related to general policy framework of research in the University, the matter may be recommended to be placed before the Research Board.

III	Research Proposal: Design and Techniques	50	4	4	60	10	150
	TOTAL	200	14	14	210	22	330

- 1.1 The course work of Paper- II and III shall be conducted at the concerned College/Department/Centre as per the course outline given below:

A. Paper II - Review of Literature

It will consist of training on how to collect, classify, orient, present and write review of literature. It will be primarily done under the supervision of the Research Supervisor. The Supervisor concerned shall assign topic(s) to the candidate on the aspects on which the candidate might carry out his/her research work. She/He will also suggest the candidate, the standard formats to write and submit the review articles on the topic(s) given. The candidate shall present at least two seminars covering the topic(s) before the Research Advisory Committee, teachers and the students of the Department and shall improve it on the basis of the discussion and suggestions raised therewith. The candidate must present the writeup of the review articles to the Research Advisory Committee and make final presentation at the end of the semester to the Research Advisory Committee, teachers and the students of the faculty where at least two Research Supervisors including the Research Supervisor of the candidate shall be present.

B Paper III- Research Proposal: Design and Techniques

The objective of this paper is to train the candidate on how to plan and write proposals of Research. The candidate will collect research papers dealing with the methodology as per the objectives set for the study in consultation with the Supervisor. Thereafter, he/she will have to standardize the techniques and/or prepare material like questionnaires that would be necessary to conduct the research work. The Research Supervisor concerned shall guide the candidates to prepare research proposals for seeking grant in the format of a funding agency. The research proposal shall finally be prepared in a form of the Synopsis on the topic on which the candidate desires to pursue his/her research. This will first be presented as seminar before the Research Advisory Committee, teachers of the faculty and the students. Thereafter the same may be improved on the basis of the discussion and suggestions raised during the seminars and then finally be presented again as a seminar and writeup in front of the RAC, teachers and students of the Department.

to the Director-Research in the format as per the provisions of this ordinance for presentation and defense of the Synopsis.

C Assessment of Paper II & III. The two seminars and their writeups will have to be evaluated out of 40 marks (10+30) in all by the Supervisor.
